Technical Services Facility
Budget Certification Form for Recharge Rates

The University of Connecticut's Biotechnology/Bioservices Center (BBC) is a multidisciplinary center with a mission to facilitate research productivity in the biological sciences and related disciplines. This is accomplished by providing specialized services and expertise through a number of core facilities. The Technical Services Facility is supervised and operated by skilled craftsmen who provide consultation and services. Facility rates and their effective dates appear below for the *Technical Services Facility*. They are based on an internal audit of costs, which are reviewed biennially.

Philip I. Marcus, Director

The *Technical Services Facility* has been designated a facility within the Biotechnology/Bioservices Center at the University of Connecticut in compliance with the University's Cost Accounting Disclosure Statement. The following budget certification is submitted to:
